Training Information

Prerequisites: You must complete the prerequisites listed with each class, and have a full working knowledge of Microsoft Windows (98, ME, NT, 2000 or XP). The class will be conducted using Windows XP. Completion of the prerequisites is very important and will provide a better training experience.

Times: All full day training classes begin at **9:00** and end each day at **5:00**. Class breaks for lunch typically from **12:00** to **1:00**.

Dates: To view the current training dates, visit www.mcad.com. If you have any questions about training please email training@mcad.com.

Availability: Please contact us for class availability prior to registration.
